OMDP – Order of Malta Donors for Projects Foundation

OMDP Foundation

Introduction

The Order of Malta Donors for Projects – OMDP is the Sovereign Military Order of Malta's Foundation dedicated to funding international projects, developing, supporting, and monitoring activities which help to spread its mission and values.

The purpose of the Foundation is to support S.M.O.M. entities that wish to structure and develop humanitarian projects in their respective countries (or third countries). OMDP provides grants to these S.M.O.M. entities for the development of their proposed activities.

The humanitarian projects must fall within the values of *tuitio fidei* and *obsequium pauperum* and can include actions in different areas: health, social, economic, education, professional training, employment, women empowerment, etc.

OMDP Foundation

Objectives

- ✓ Pursue the *tuitio fidei* and *obsequium pauperum* values
- ✓ Support SMOM Entities developing small-medium humanitarian projects in their country (or 3rd countries)
- ✓ Contribute to guarantee a worldwide humanitarian SMOM presence assisting SMOM Entities in underrepresented regions

Partnerships and Endorsement of Local Authorities

In countries with several SMOM Entities, collaboration among them is desirable and projects on a regional scale involving several SMOM Entities are encouraged.

In countries without SMOM National Association or Relief Corps, SMOM Embassies can involve:

- ✓ SMOM Entities of another countries, or
- ✓ other institutions (Christian organizations, NGOs, foundations, local institutions, etc.) if necessary

Projects submitted to OMDP should be in cooperation with the recipient countries' authorities and according to local legislation.

OMDP Project Submission

Project Sustainability

OMDP encourages set-up of projects involving several SMOM Entities, SMOM Members, and Volunteers

Projects submitted to OMDP must foresee their sustainability over the long-term, as well as the positive impact on the beneficiaries in adherence to local needs.
